However, if the matter can't be resolved, termination of the volunteer may be required. This document deals with the process that must be followed to either resolve performance or behaviour issues or, if required, terminate unsuitable volunteers.

Volunteers will be advised that copies of MNC's policies and procedures are accessible to them at the front) desk or in the Policy Folder held by the VSW as well as online via the MNC Website. Volunteers will be encouraged to read all policies and procedures within one month of commencement at the centre to ensure			

they are abreast of the rules, regulations and philosophy which guide MNC's operations..

All volunteers must become members of MNC and remain current whilst volunteering at the centre.

Volunteer groups (Gardening, Kitchen, Fixit Cafe, Counselling, Social Media, etc.) meet on a monthly basis to discuss how things are going, identify and address training needs, develop any new initiatives and receive supervision/guidance.

As with all work undertaken at MNC, group participation includes consultative and participatory interactions with each other. s Minutes are stored on the G Drive and distributed to volunteers.

A monthly volunteer meeting is held on the first Friday afternoon of the month to share information, discuss issues and have a chance for an informal get together afterwards. Meetings will sometimes include a guest speaker to talk on a topic of interest to the group and the work that we do at MNC. Due to workplace health and safety, volunteers are strongly encouraged to attend these monthly meetings where OH&S details and updates are also covered.

Informal catch ups, will be made available for all volunteers (if desired and where possible), to provide feedback, encouragement, ideas and debriefing sessions pertaining to the work they undertake at the centre.

Ongoing opportunities will be available for volunteers to participate in further training and education which may involve training at, or outside the Centre..

Volunteers will be encouraged to take on further responsibilities to develop their areas of interest and to meet organisational demands.

While MNC's primary aim is to encourage and support volunteers' contributions, it is also recognised that there could be times when it is necessary for a volunteer to be counselled, disciplined or even dismissed.

Conduct which may lead to disciplinary action includes, but is not limited to:

- Not following MNC's rules and policies
- Rudeness or hostility towards clients, other volunteers or staff members
- Intoxication through alcohol or other substances during working hours
- Publicly bringing MNC into disrepute

Some conduct may be tantamount to 'gross misconduct', in this instance a volunteer may be dismissed without prior warning. Conduct which could be classed as gross misconduct may include, but is not restricted to:

- Verbal or physical harassment of any other volunteer, employee or client of MNC, particularly in respect of race, sex or religion
- Wilful damage to or theft of property belonging to MNC or other volunteer or employee of MNC
- Falsifications of any of the organisation's records for personal gain
- Commercial misrepresentation of MNC

PROCEDURE FOR RESOLVING PERFORMANCE OR CONDUCT ISSUES WITHIN THE WORKPLACE:

MNC highly values the contribution volunteers make to the running of the organisation and strives to make all volunteers feel valued and appreciated. Where issues relating to a volunteer's work performance or behaviour arise, steps will be taken to address the issue with the volunteer with the aim of a successful resolution to the matter. (See Conflict Resolution Policy).

The VSW or relevant staff* member's initial approach with the volunteer will be informal with the intention of a quick resolution to the issue. However, where it is deemed by MNC's VSW or relevant staff member that a volunteer's behaviour jeopardises the running of the organisation or its reputation, and informal approaches to resolve the matter have been unsuccessful, the VSW or relevant staff member will commence a formal process with the volunteer.

* A 'relevant staff member' is one who directly oversees volunteers outside the VSW's volunteer teams e.g. Centre Coordinator Development Worker (CCDW), Front Desk Team Leader (FDTL), Admin Finance Officer (AFO), Project Officer (PO), etc.

This procedure outlines the formal processes to be taken for disciplinary measures and, if required, dismissal of a volunteer. This procedure would only be used when all other attempts at resolution have been unsuccessful. It aims to provide a clear and fair structure that is understandable to both management and volunteers.

In the event that disciplinary action is required, the following steps must be followed by the VSW or relevant staff member:

- 1. Any issues of concern that come to the VSW / relevant staff member's attention should be noted in the volunteer's file and discussed with them at the earliest possible opportunity.
- 2. The VSW / relevant staff member and the volunteer will meet to discuss the issue and seek resolution if possible. Follow up meetings will be scheduled, if required, to work towards an agreeable resolution and monitor implementation of agreed actions. Written advice regarding these meetings will be provided to the volunteer.
- 3. If the VSW /relevant staff member and the volunteer are unable to resolve the matter, it will be escalated to the CCDW who will arrange a meeting involving the CCDW, VSW / relevant staff member and the volunteer. The volunteer can bring an advocate / support person (preferably another current centre volunteer) with them to that meeting if they so choose.
 - a. The CCDW will alert the MNC Management Committee to the issue and steps being taken to try to resolve it. All efforts to obtain an acceptable resolution will be undertaken in this meeting.
- 4. If, after following all of the above steps, no resolution can be negotiated, the volunteer will be dismissed and the CCDW will advise the MNC Management Committee of this action.

Written notice will include details of the issue and, where feasible, evidence. In a case where the disciplinary measure has been instigated by a complaint, it may be
